

Tasmania Police – Overtime Cost of Different Roster Models

Ms BUTLER question to MINISTER for POLICE, FIRE and EMERGENCY MANAGEMENT

A police officer constituent of mine would like to know the total overtime cost associated with continuation of duty under the Ottawa roster compared to the overtime required to sustain your government's 6x6 and 4x4 wellbeing trial rosters. Specifically, what is the difference in cost and how is this being factored into your government's decision-making on long-term roster implementation?
