

Surf Life Saving Tasmania – Funding

Mr GEORGE question to TREASURER

Tony van den Enden at Surf Life Saving Tasmania at Mornington would like to confirm the balance of funding allocated for 2025-26 through forward Estimates to Surf Life Saving Tasmania as part of the 2021 election commitment by the Treasurer's government. Tony is concerned that Surf Life Saving Tasmania will need to cut services and programs if the government chooses to renege on its prior commitment.
