**RECOGNITION OF VISITORS
Legislative Assembly of Samoa - Staff**

Mr PRESIDENT - Honourable members, before we commence with proceedings, I welcome a number of staff from the Legislative Assembly of Samoa who have spent the week in our parliament undertaking professional development and training with officers of our parliament, sponsored by the United Nations Development Programme.

Of course you can see the member for Derwent, who was in Samoa a couple of weeks ago. Stories have not been told by you so he can sit quietly and comfortably in his seat at the moment.

The group has spent time learning about human resources and staff management, Chamber and procedural matters and education and community relations.

This exchange and professional development program builds on our parliament's twinning relationship with the Parliament of Samoa, and we also learn much from them. We extend our warmest welcome to the staff of the Parliament of Samoa. Welcome. We hope you have had a good time over the last week.

Members - Hear, hear.
