

Treasurer's Comments in Question Time – 11 September 2025

Mr MITCHELL question to TREASURER

I have a question from Mary of Dunalley, who was listening in to the broadcast earlier. The Treasurer's reference to people as 'hapless' who listened to Question Time in Parliament. I have here a definition of 'hapless':

Synonyms - miserable; misfortunate; pathetic; piteous; pitiable; pitiful; poor, wretched; unfortunate; not favoured by fortune; marked or accompanied by, or resulting in ill fortune.

Which of these does the Treasurer think describes Tasmanians who listen in to Parliament?
