- (5) Further notes with concern reports that Loaves & Fishes Hobart operations are at risk of closure unless it can secure an additional \$150,000 in Federal funding, threatening its services in areas including Sorell, Huonville, Geeveston, Bridgewater, Gagebrook, Rokeby, Clarendon Vale, Copping and Hobart.

To which the following amendment has been proposed by Dr *Woodruff*, by leaving out all words after "That the House:-" and inserting instead:

- (3) Notes that the Liberals passed legislation to set wholesale electricity prices at a rate higher than projected, leading to energy bills decreasing by less than they would otherwise would have.
- (4) Notes with alarm that the Liberal Government continues to allow Entura to engage in profiteering from immoral projects overseas such as the Karuma hydro power project Uganda, which has been linked to killings and other human rights violations.
