Briefing Note regarding Martin Moroni testimony to Legislative Council Native Forest Enquiry.

I wish to advise that I spoke in error regarding Mr. Booth public comments to the Native Forest Enquiry. The press have quoted Mr Booth calling 'Forestry Tasmania' rogue – not the group 'People of Forestry Tasmania'. I wish to clarify this error in fairness to Mr. Booth.

Regards,

Martin Moroni.

A handwritten signature in black ink that reads "Martin Moroni". The signature is written in a cursive, slightly slanted style.
