Dear Ms Badger *Tabatha*,

Thank you for your constituent question asked on 23 May 2024 in Parliament, on behalf of Ruth Langford, director of Nayri Niara regarding Aboriginal engagement in the kunanyi/ Mount Wellington review.

The Tasmanian Government recognises the importance of kunanyi/Mount Wellington to Tasmanian Aboriginal people. We are committed to working closely with Aboriginal people and representative organisations as we develop a long-term vision for the mountain which respects and celebrates its cultural and environmental significance.

Further information about how engagement will work during the review will be made available as soon as possible.

Thank you raising these matters in Parliament, I trust this information is helpful.

Yours sincerely

Eric Abetz MP
Minister for Business, Industry and Resources
