

Ms Johnston's Budget Allocations

Mr WILLIE question to PREMIER

Premier, Scott lives in Chigwell and like many others, he is struggling with the cost of living. He told me he voted for the member for Clark, Ms Johnston, but regrets it now after Ms Johnston and you did a deal to prop up your government. He is especially upset that there has been a request for extra taxpayer-funded car parks, a new parliamentary office, a new electorate office and additional staff, which you called substantial.

He wants to know whether you plan to spend money on additional staff, new offices and other requests of Ms Johnston while he struggles to pay his bills. If so, what is the total cost, and do you think it is a good use of taxpayers' money?
