Dear Mr Fairs

I am writing in response to a question raised in Parliament on 25 September 2025 on behalf of your constituents in relation to not-for-profit organisation, Strike It Out. Thank you for raising the important work Strike it Out does in our community and highlighting their current issues with accommodation in the Launceston areas.

While I cannot make any guarantees around finding a suitable solution, I have asked my department, which includes responsibility for Crown Lands, to provide advice to me around any possible options for Strike It Out. I have also asked a representative from my department to make direct contact with the organisation to ascertain their specific needs.

Once again thank you for your raising this important matter with me. I will ensure my office keeps you updated on next steps.

Yours sincerely

Hon Nick Duigan MLC
Minister for Parks
