VOTES AND PROCEEDINGS

No. 28

TUESDAY, 19 NOVEMBER 2024

1 The House met at Ten o'clock a.m.

2 ACKNOWLEDGEMENT OF TRADITIONAL PEOPLE. - The Speaker made a statement acknowledging the traditional people of the land.

3 PRAYERS AND REFLECTION. – The Speaker read Prayers.

4 SPEAKER'S STATEMENT: MISREPRESENTATION OF OFFICIAL PROCEEDINGS. – The Speaker made the following statement:

“It has been brought to my attention that there have been a number of instances of the official broadcast being edited or doctored and placed on social media. This is a misrepresentation of the proceedings of the House because the clips no longer represent a true account of the proceedings of the House.

I refer Members to *Erskine May's Parliamentary Practice* which the previous Speaker, Mr *Shelton*, reminded the House of. It states that “deliberate or reckless misrepresentation of the House's proceedings remains a contempt and is unlikely to attract qualified privilege. This principle also applies to the posting of online clips of proceedings which are misdescribed or out of context”.

I note that putting a disclaimer at the end of a post in no way changes the risk of breaching Parliamentary privilege.

Incidents such as this will be a matter for the House to pursue.”

5 MINISTERIAL STATEMENT – MINISTERIAL APPOINTMENTS. – The Premier said: “Honourable Speaker, I advise the House of the following portfolio changes:

41 WANT OF CONFIDENCE IN THE PREMIER. – A Motion being made and the Question being proposed— That the House has no confidence in the Premier for the following reasons: -

- (1) In September 2022 his government announced a policy for a mandatory precommitment card to reduce the harm caused by Electronic Gaming Machines.
- (2) During the 2024 election campaign the Liberals put out a vague, dishonest media release which appeared on its surface to reflect their 2022 policy.
- (3) Meanwhile the Premier made a promise to the Tasmanian Hospitality Association that a re-elected Rockliff Government would walk away from the policy.
- (4) The Premier sold out the Liberals' policy to the gaming lobby and deliberately lied to Tasmanians about it during an election.
- (5) During Budget Estimates this year, the Minister for Finance, Hon *Nic Street* MP, was unaware his Premier intended to back away from this policy.
- (6) It appears, on the evidence, the Premier lied to his former Minister for Finance as well.
- (7) The Premier is a liar who cannot be trusted by his own party room and Cabinet, the Parliament or the people of Tasmania.
- (8) The only people who can trust the Premier's word are gambling lobby. (Dr *Woodruff*)
