

Greyhound Racing Ban

Ms BUTLER question to MINISTER for RACING

A constituent has asked why you, of all people, with a family involvement in the greyhound industry spanning decades, has dealt the final death knell for the Tasmanian greyhound racing industry. Was your agreement to ban greyhound racing, a political agreement to secure crossbench support for your Liberal-Greens government? Will you stand up for the greyhound community? What's more important: greyhound families or you keeping your job?
