

The Secretary

Legislative Council Select Committee – Greater Hobart Traffic Congestion

By email: [ght@parliament.tas.gov.au](mailto:ght@parliament.tas.gov.au)

Dear Secretary

Thank you for inviting submissions on traffic congestion in greater Hobart.

I would like to request the following:

- Could the committee please investigate the viability of a ferry service that may depart from an area such as near the Police Academy in Oakdowns into the city during peak hours as a measure to take bulk cars off the road, while potentially providing the space for commuters to “park and ride” or link up with existing bus services.

Thank you for your consideration of my submission. I am available to discuss this further via email [lukeedmundsCCC@gmail.com](mailto:lukeedmundsCCC@gmail.com) or phone 0499 990 232

Regards

Luke Edmunds

Alderman

Clarence City Council
