MEDIA ADVISORY

25 March 2020

Government Administration Committee 'A' Sub-Committee Inquiry into Finfish Farming in Tasmania

The Legislative Council Government Administration 'A' Sub-Committee inquiring into finfish farming in Tasmania wishes to advise that future activities of the Sub-Committee will be facilitated using remote locations and teleconference/videoconference facilities where feasible, due to operating strictures as a result of the Coronavirus (COVID-19) pandemic.

The Sub-Committee will continue to update its webpage with hearing dates and locations as they become available. At this stage, the Sub-Committee intends to proceed with hearings scheduled on 1 April 2020 however further hearings have been postponed. The Sub-Committee will continue its administrative work in the interim.

Future public hearings will be recorded by Hansard and broadcast via the Parliamentary Broadcasting Service as hearings are unable to be effectively held before a public gallery.

The Sub-Committee apologises for any inconvenience caused to interested parties and has taken these steps to ensure safety for all under the present circumstances.

Members of the Sub-Committee are:

Hon Kerry Finch MLC

Hon Ruth Forrest MLC

Hon Mike Gaffney MLC

Hon Rob Valentine MLC

Hon Meg Webb MLC (Inquiry Chair)

ends
